PLAYZONE BIRTHDAYS

FROM JUST $10.00 PER GUEST!

If you'd prefer to do a bar tab or pay as you go bar for your guests, we offer this option from just $10.00 per person.

A minimum of 20 guests applies.

HOW IT WORKS:

Pay just $10.00 per person for each guest attending for an all-access unlimited activities access pass!

A $200.00 deposit locks in your date and this is deducted from your final balance.

The remaining balance is paid on the day based on the final number of guests attending your event.

MINIMUM BAR SPEND:

A separate minimum bar spend of just $10.00 per person per hour applies.

You nominate your start time and the length of your session at the time of booking.

You can put down a bar tab, guests can pay for their own drinks, or you can do a combination of both. The choice is yours!

Your guests receive wristbands on arrival and this is used to track the bar spend of your group, if you select the PAYG option.

If you don't reach the minimum bar spend (extremely rare at Play Zone!) simply add a small bar tab or pay the difference at the end of your booking.
